Quick Switch

We are pleased to introduce the custom Quick Switch plate, the ultimate in flexibility and creativity!

This magnetic plate option allows you to change the name, art or logo on the front of your pulpit. Change with the service or with the season. For recurrent events such as Christmas and Easter, the Quick Switch can be used year after year. Commemorate your church anniversary year. Memorialize a special parishioner for their homecoming service. Special ministry groups? Each can have their own panel. Holding a wedding service or baptism? A personalized front panel adds that special emphasis to the day, as well as providing what is sure to be a treasured keepsake to take home and frame.

Available in sizes up to 10.5" x 16.5" or in a circle up to 10.5" in diameter.

First Panel \$150⁰⁰ Subsequent Panels \$250*

***Shipping fees applicable to panels ordered after receipt of pulpit**

Photoplate

If you have a graphics rich logo that can not be adequately reproduced by etching, we are pleased to offer a custom Photoplate as an artwork option.

Our Photoplates are a permanent bond of a full color digital image to shaped glass panels. Our aqua shaping technology allows us to shape the panels to the unique contours of your design. Available on any of our pieces, photoplates can reproduce finer details and an infinite color range in your pulpit art.

Available in sizes up to 11.5" x 16" or in a circle up to 11.5" in diameter.
